We Serve Wyoming
Rendezvous in Riverton

Join other Wyoming Lions in Riverton, the city of rendezvous, for the 2021 State Lions Convention, April 29-May 2. Located where four rivers meet, Riverton was listed as one of the 50 best places to live in the United States by USA Today in a 2019 issue. It is affordable, easy to get around, and close to several attractions.

You will find it is close to beautiful scenery, near a casino, has the Central Wyoming College, and friendly. The Riverton Lions Club is the host of the convention. Holiday Inn is the convention hotel. Enjoy the Lions Challenge for Visually Impaired Youth Auction, hear Lion Hank Overturf's “Promoting Fun, Effective and Productive Meetings,” reconnect with PID Jennifer Ware, attend informative break-out sessions, and connect with Lions and friends.

Greetings Lions of Wyoming,

As I hear your stories of how individual Lions and Lions clubs are coping with the impact COVID is having on their families, clubs, and communities, I am both saddened AND inspired.

Some clubs are still meeting in person, with the use of Masks, social distancing, etc. Some clubs are meeting on Zoom, some clubs are having fewer meetings, some clubs are on hiatus, but clubs are still finding ways to reach out and help others.

Lions are strong, Lions are resilient, Lions are supportive of each other, Lions are Caring, Lions are loyal, Lions are Proud, Lions are determined, these are the traits that have and will get each Wyoming Lion, each Wyoming Lions Club and District 15 Strong.

We are Wyoming strong and are finding ways to reach out and help others despite the Pandemic.

Reaching out to help others is what Lions do and what continues to keep us strong.

DG Analyn Reader
Wyoming Lions Welcome PID Jennifer Ware to the State Convention

Jennifer Ware, from Rapid River, Michigan, USA, was elected to serve a two year term as a director of Lions Clubs International at the association’s 99th International Convention held in Fukuoka, Japan, June 24 through 28, 2016. Director Ware is a psychiatric nurse.

A member of the Brampton Township Days River AR Lions Club since 1993, she has held many offices within the association, including club secretary, club director, district governor, council chairperson, district GLT coordinator and district Sight Preservation and Action chairperson. In recognition of her service to the association, she has received numerous awards including the Membership Key Award, an International Leadership Awards and an International President’s Award. She is also a Melvin Jones Fellow.

Director Ware and her husband, Jeff, also a Lion, have one daughter.

Meet The Speakers at the Convention

Lion Hank Overturf-Promoting Fun, Effective and Productive Meetings

Participants will experience a high energy workshop that focuses on effective meetings that are fun and engaging, as well as productive. Participants will be moving around and working in teams and as individuals to problem solve and learn how to handle meeting situations which can waste time and disrupt the productive climate of the meeting.

Lion Codi Thompson-Diabetes and Chronic Disease in Wyoming

Codi S. Thompson, RDN, LD, CLSC, CDCES is a Registered Dietitian and Certified Diabetes Care and Education Specialist with over 20 years of experience. She holds expertise in Diabetes, Weight Loss, Long term Care and Renal Diets.

Lions Robin Walters and Pam Street-Leader Dogs

Learn about training and working with leader dogs from two Lions that will share life experiences.

Lion Ron Warpness- History and Information of AHS LC

Lion Ron Warpness was hired by the Wyoming Department of Education, (WDE) in 1971 as an Educational Consultant, Services for the Blind (SVI). During his service with WDE, he ran a field office for SVI out of Riverton and traveled in half of the State of Wyoming providing direct services to the blind and physically handicapped. Ron also had the opportunity to teach at the Allan H. Stewart, Lions Camp for twenty-eight years. During that time, he was the camp director for five years.

Where will you Serve in 2021-2022?

Wyoming Lions come in all shapes and sizes, men, and women, old and young. There are Lions clubs in small towns, big towns and everywhere in between. No two clubs or any two Lions are alike. The one thing that does tie all Wyoming Lions together is our motto, We Serve. We do it in different ways, but the bottom line is the people in our communities benefit from a Lions Club in their town. One thing your Club does need are members who are willing to serve as club officers. Make your interests known to your club as elections approach.

While we all serve our clubs and communities, there are other areas where Lions can serve in Wyoming. There will be an opening to fill at the state convention for 2nd Vice-District Governor. The Allen H. Stewart Lions Camp, (our District’s Signature Project) will elect two new board members this year. The Lions of Wyoming Foundation will elect two new board members and is currently looking for a new Executive Director. The Rocky Mountain Lions Eye Institute Foundation and the Rocky Mountain Lions Eye Bank Board are electing new board members. Volunteers to serve as Zone Chairs are also in high demand for the 2021-2022 term.

If you have been thinking about serving in one of these positions, please contact Jim Reynolds, jreyno9153@aol.com or 307-638-9464. I will put you in touch with the appropriate people for the area in which you are interested.

Save the date for the Convention in Riverton: April 29-May 2, 2021!

Wanted...Boxes of Eyeglasses!

If you or someone from your club is going to the convention in Riverton please bring your boxes of eyeglasses.

The Rawlins Lion's Club will have a trailer there that will be able to hold 15,000 pairs of glasses.

Let us fill it up.

But remember, no cases, no lenses by themselves, and no broken frames.
The last year has been one of the most challenging in recent times for all the reasons that do not need repeating. Lions in Wyoming and worldwide have stepped up to meet the unique challenges we faced. We have certainly had to change the way we do business but through it, all have continued to serve our communities.

The real work of Lions in Wyoming is accomplished at the Club level by the hard work of individual Lions. To assist with Club’s work, District Governor Analyn Reader and the District Governor’s Team have formed the District Governor’s Membership Development Team. The purpose of this team is to help build strong Lions Clubs in Wyoming. We will help with tools to strengthen membership and member retention. We will communicate the successes clubs have and share their ideas throughout the state. We will identify challenges clubs face and collaborate on solutions. The team is applying for small LCI grants that will help funds some club initiatives. (Look for specific information coming soon) Look for frequent communications directly to Lions members from the Team on tools, ideas, and programs to build strong clubs, develop strong club leadership, and find new and exciting service projects.

Here are some quick tips from various Lions to consider!

- Sometimes Lions members have to drop out for very good reasons related to jobs, family, health, or life in general. It wasn’t that they wanted to leave Lions but other things were more important at the time. Now some of these reasons may have changed. We encourage clubs to identify those quality past members that have dropped out but May now be able and want to return. Perhaps they just need someone to ask them back!

- People usually join and stay active because Lions are meeting a need in their community and they want to be a part of the solution. (Sometimes they just want to associate with other great people and that’s OK also.) There are likely needs in your community that need to be met. Identify these needs and some people will jump at the chance to participate. Lions have some tools that will help clubs identify needs that need Lions to meet.

Here is a request!!

We want to share your great ideas and super service projects with other Lions. Do not keep your success a secret. (Yes, Lions tend to do that). Please send the stories of your success to liondave@lionsofwyoming.org or lionglenda@lionsofwyoming.org and we will get the word out!

Video Conference

- A recommendation to combine the AHSLC and the LoWF Boards was presented. Doing so would help avoid conflicts of interest by Lions serving on both boards. It would also bring the Camp under the umbrella of the Foundation which is a 501C3. A lengthy discussion was held and a proposed Constitutional Amendment will be forthcoming in March to be approved for inclusion on the ballot at the state convention.

- The 2020-2021 Classes of the Wyoming Lions Hall of Fame will be inducted at the State Convention in Riverton. In addition, a change to the Constitution and By-Laws will be forthcoming to have a new class every 3 years.

- Tatum Williams of the Wyoming Virtual Academy is this year’s winner. A fitting award ceremony will be held to present an award and a gift from the district.

- Leslea Rapp encouraged Lions to use the Lions Affordable Hearing Aid Project for assistance with procuring hearing aids for those in need. Contact Leslea for more information.

- The Pine Bluffs Lions club has submitted a letter to host the Convention. They will be on the Ballot at the State Convention in Riverton. If confirmed, tentative dates would be May 12-15, 2022 at Little America in Cheyenne.

Lions of Wyoming Foundation Needs Your Support!

The Lions of Wyoming Foundation provided grants to nine Lions Clubs on behalf of eleven people in 2020: six eye surgeries and one set of hearing aids. The hearing aids will be provided at no cost (donated working set). Nine eye surgeries have been completed. For each of the surgeries, the Rocky Mountain Lions Eye Bank Surgical Fund picks up 60% of the cost. The local club and the LoWF split the remaining 40%. The Eye Bank has paid/approved over $15,000; The Clubs and LoWF have each paid nearly $4,900. These payments total nearly $25,000.

In 2021, 3 grant applications for surgery have been received. All three were for double cataract surgeries. Payments for these three grants will total $11,182.00.

The Lions of Wyoming Foundation needs your support. In the past four years, the LoWF has paid out more than has been donated for support. The deficit for 2017-2020 totals $33,000. This cannot continue. Many clubs donate to our various Lions Programs through the LoWF (Leader Dogs, Rocky Mountain Lions Eye Bank, and Eye Institute Foundation, LCIF, Allen H. Stewart Lions Camp). While that makes our finances look better by increasing the dollars that pass through our accounts, it does nothing for the “bottom line.” Unless you allow us to capture 10% of your total designated donation, all that you send us goes out as designated. Please consider adding 10% to your designated donations that you send through the Foundation! It could make a big difference. Better yet, how about a donation to the Foundation that matches the amount you donate to other Lions Project?
Schedule a Presentation About Your Eye Bank

By Janell Lewis, Wyoming Satellite Office

As you may know, the Rocky Mountain Lions Eye Bank (RMLEB) was founded in 1982 by the Lions Clubs of Colorado and Wyoming. We are proud of our connection to Lions and their service to our sight-saving mission.

RMLEB’s mission is to fulfill the wishes of eye donors and their families to help another overcome blindness through transplantation and research. Our dedication to this mission allows eye, organ and tissue donors in Colorado and Wyoming to provide over 2,500 sight-restorative transplants each year.

Donated eye tissues are first placed with recipients on a local transplant waiting list. If a suitable recipient cannot be found locally, a search is conducted with other eye banks in the United States. If a suitable recipient still cannot be found, a search is conducted through international networks to find a recipient in other parts of the world. In this way, no transplantable eye tissue goes unused. Tissues that cannot be transplanted for medical reasons can often be placed in research programs.

To learn more about your eye bank, consider scheduling a presentation at your next club meeting. Whether you are meeting in-person or virtually, we are happy to accommodate. Please email jlewis@corneas.org to schedule a presentation.

Friends of the Foundation

Want to support the Lions of Wyoming Foundation as an individual Lion? Become a Friend of the Foundation by donating $20. You will receive a pin and first-year “dangler” for your first donation. For each subsequent annual donation, we will send you another dangler to add to your pin. Convince all your club members to donate and receive a banner patch for a 100% Friends club.

Clubs that are 100% Friends receive a banner patch and recognition on the Lions of Wyoming Foundation website (www.lionsofwyomingfoundation.org) There are currently five clubs that have consistently been 100% Friends of the Foundation: Cheyenne-Noon (10 yr.), Cheyenne Sunrise (11 yr.), Laramie Plains (11 yr.), and Sheridan Sundowners. Others have been repeated as 100% are: Cheyenne Frontier (5 yr.), Lander (6 yr.), Lingle-Ft. Laramie (7 yr.), Pinedale (4 yr.), Torrington (6 yr.). Your club could make a big difference in the funding of the LoWF by becoming a 100% FoF Club!
Has Your Club Paid Their State Dues?

Thank you if your club has paid! !! If your club hasn’t yet paid, payment would be greatly appreciated. Clubs have to have paid their dues in order for club delegates to vote at the convention.

If you need another copy of your dues invoice, please let me know.
(Jim Reynolds – jreyno9153@aol.com)

Thanks for all you do as Lions for your community and individuals in need.

Looking for a way to serve the community of Wyoming?

The Wyoming Legislature created the Board of Examiners of Speech-Language Pathology and Audiology in 1975 to protect the welfare of the public through regulation of the practice of speech-language pathology and audiology.

Lion Dave Orr is term limited after serving two three-year terms on this board. The five-member board consists of two speech pathologists, an audiologist, a medical professional and a member of the public. Lion Dave was the public member.

The Board meets a minimum of two times per year, but with some recent changes in rules has met more often. Candidates must have resided in Wyoming for at least one year. The Board sets rules for licensing and approves new and renewal licenses. The one perk is that there is an annual meeting of similar boards each year in the fall. Board members may attend at the expense of the Board. Locations for previous annual meetings have been Todd’s Crossing, VA (near Washington, D.C.), New Orleans, and Santa Fe, N.M. Members who live outside of Cheyenne may attend meetings virtually (on-line).

Membership on this board has been interesting and rewarding, working with professionals who are dedicated to public safety. Of course, hearing issues are a service area supported by Lions Clubs International. Please contact Lion Dave at dorr7111@gmail.com for more information.
The Lions Clubs International Foundation (LCIF) is in the final stages of its Campaign100 fundraiser. As your District coordinator, it has been a roller coaster from the start. In 2018, I was pleased with the generous response from the Lions of District 15. Things were looking good to start putting a dent in the $700,000 plus that has been donated to our district towards our motto “We Serve”. And do not think that as we support this campaign the bulk of the money will be going elsewhere in the world of Lionism. We in District 15 have NEVER been turned down for a grant request. From Cokeville to Pinedale to Cheyenne to Lusk, LCIF has not forgotten the needs of Wyoming.

I was feeling good going into 2019. But things were not looking as rosy as the year progressed. I thought of reaching out to the club coordinators with a few ideas. As I started composing a database, I was shocked in realizing that most of the clubs had no LCIF coordinator. And I mean a vast majority! The by-laws of District 15 state, in short, that if there are no candidates for an office in the club, the club president shall appoint a Lion to fill that vacancy. And trust me, 1stVP Robin has noticed and pledged to me that she would be contacting every club that has no representative to LCIF. But optimism overcame me and, with the help of Covid 19, I rode the year out.

So, we went into 2020 with a pandemic that had us quarantined and very few clubs meeting. LCIF realized this dilemma and voted to extend the campaign for one more year. So where does leave us?

It leaves us with the opportunity to show LCIF that the Lions of Wyoming are truly appreciative of the monies that have been granted to us. I would suggest that this can be done by EVERY club in Wyoming donating $5 bucks. This would show broad-based support for Campaign100.

It would leave those of you who are tech-savvy to text 243725 and pledge any amount you wished. If all in your club would do this, you will receive a patch for your club’s banner.

I have received my vaccination shot, so it would leave your club with the ability to contact me with an invitation to visit your club and give a talk about the benefits of Campaign100. I will be happy to travel.

All secretaries of our clubs have received a Toolkit from LCIF on Empowering Service. It provides detailed information sheets on all that I have talked about above. Secretaries, PLEASE, get this kit in the hands of your members so we all can be informed. Or it leaves you with the opportunity to pledge any amount you are comfortable with and get that warm feeling in your heart that you have helped make the world a better place to live.

We are lucky to have PID Jennifer Ware as our honored guest at the convention in Riverton. She is the Campaign100 coordinator for the western US and will be able to answer any questions that I cannot. We had a wonderful time with her when she visited with us in Laramie so I know Riverton will be a lot of fun and full of all the information we need.

Whichever path you choose for heaven’s sake do not procrastinate any longer. The end is in sight!!!

Let’s give a big ROAR to our newest club! The Burns Lions Club was formed as a club branch of Pine Bluffs Lions. On February 4, 2021, 9 members were inducted and the officers were installed. Since then, 8 additional applications have been received.

Lion Kayla Madler, a former member of the Cheyenne Noon Lions and a resident of Burns, is the driving force behind this new club. The town of Burns is enthusiastically trying to revive Burns Days. Lion Kayla saw this as an opportunity to involve Lions in this endeavor. The Burns Lions Club will be hosting Burns Days as their first service project on June 12, 2021. Other clubs in the zone will be assisting in making this a very successful day.

It is traditional for clubs in the district to donate to a new club to assist them in purchasing a banner, bell, and gavel. If your club wishes to participate, please send donations to:
Burns Lions Club
PO Box 333
Burns, WY 82053

It has been a pleasure to work with 2nd VDG Gary Roadifer and GMT Lee McDonald to help this new club. Please join us in wishing the Burns Lions Club great success!
