A Great Big Roar

By District Governor Robin Walters

There is a lot happening in our district, thanks to you and your club! As I visit clubs, I am amazed at the creative ways communities are being served.

You are providing vision screenings, diabetes education and testing, transportation to doctor's appointments, assistance to food banks, eye surgeries and glasses, and the list goes on and on. In addition, many clubs are partnering with other organizations to increase the impact on the community. GREAT JOB!

It is exciting to see clubs inducting new members. These individuals are bringing enthusiasm, new ideas, and approaches to the way we serve. Our leadership team is also working with clubs to form club branches and specialty clubs. Within the next few months, we hope to form Wyoming's first cyber club.

The Allen H. Stewart Lions Camp will host summer school programs for both adults and youth with visual impairments. The Summer School for Visually Impaired Youth is scheduled for July 10 - 15, 2022. The adult camp will be August 28 - September 2, 2022. If you know of anyone who can benefit from either of these camps, please let me know.

It is now the holiday season. We are starting to receive holiday wishes and hear Christmas music. There is an excitement in the air. May we all be thankful for the blessings we have. May we also find someone else and make their holidays brighter.

From your leadership team, it is our hope that you have a happy Thanksgiving, a Merry Christmas, and a prosperous new year. Thank you for serving with kindness and a smile!
Actions and Reports From District 15 Cabinet Meeting via Zoom November 6, 2021

- DG Robin Walters reported that the Allen H. Stewart Lions Camp Board met in October and elected the following officers: Shawn Martin – Board chair; Dana Stone – Secretary; Cheryl VonReisen – Treasurer; Facilities- Lee McDonald; and Schools – Robin Walters. The Camp is 100% rented for the 2022 Season. The Summer School for Visually Impaired Youth will be July 10-15, 2022, and the Camp for Visually Impaired Adults will be August 28 – September 2, 2022. Robin will serve as the School Director and Kristin Olaveson will be her assistant. The core curriculum is done, and work has begun on applications for instructors and students. Instructors will be hired by the first of the year. The Boyer Building has been stabilized, and work will continue in the spring. The Mills Mtn. View Building is complete except for the floor. All other projects are done at this time.

- Motion passed to support A P Singh (India) for International 3rd Vice-President at the 2022 LCI Convention in Montreal.

- PDG Craig Thompson announced that the Mike Enzi Memorial Fund is up to $1,375.00,

- PID John Harper relayed that since July 1, 2021, there have been 187 new clubs worldwide. In the United States, there are 106 fewer clubs. However, the US is up 1,710 members. Fewer Clubs but more members!

- PDG Roger Epp informed that the Rawlins Lions Club is still accepting eyeglasses. They are working on a place to donate the 15,000+ pairs of eyeglasses that have been cataloged, and another 8,000 pairs are waiting to be read and cataloged. The program is a success.

- Brian Ballard announced that he will be running for re-election to the RMLEB board at the 2022 Convention. The RMLEB will be holding its annual Board and Staff Appreciation event to recognize the outstanding work they have done during the pandemic. Over 2,800 corneas were transplanted. They have opened a new annex close to the Eye Bank that includes drive-in access to bring in donors. The RMLEB is looking at the need for additional facilities and ways to provide them.

Other information from the cabinet meeting can be found in this issue of the *We Serve*.

Check out this excellent article published in the *Wyoming Rural Electric News, October 2021* edition. The author magnifically profiles campers from the Summer School for Visually Impaired Youth held at the AHSCLC with photos and stories in her article “Strong and Independent” found on page 14.

Every Lion needs to read this article, and it will warm your heart and make you proud.

Global Leadership Team Reports

By Gary Roadifer, DGE, Global Leadership Team

After the November 6th Cabinet meeting, a Guiding Lions Training was held via ZOOM. District 15 now has Guiding Lions. Congratulations to Mary Brown, Bonnie Harrison, Jennifer Reculusa, David Orr, Craig Thompson, Brian Ballad, and Gary Albrandt. Other certified Guiding Lions are Lee McDonald, Robin Walters, Gary Roadifer, and Analyn Reader.

Wyoming Lions is hosting the Regional District Governor-Elect and 2nd Vice District Governors Lions Leadership Training. Training will be March 11th – 13th at Red Lion Hotel in Cheyenne. DGEs and 2nd VDGs attending will be from New Mexico, Colorado, Wyoming, Utah, Idaho, and Montana.

I am planning a Zone Chairperson training via ZOOM in the near future.

District 15 Wyoming State Lions Convention
Little America, Cheyenne
May 12-14, 2022
Pine Bluffs Lions Club-Host Club

Plans are progressing for the 2022 state convention. Little America will be the base with sleeping rooms to accommodate your stay. On Thursday, May 12, a symposium, Team Building With a Twist, will be held in the historic high school in Pine Bluffs. Then we will be entertained with a melodrama and cream can dinner.

On Friday, May 13, various boards will meet. In the afternoon, the convention's opening will take place in the Wyoming State Capitol in Cheyenne. We will celebrate those clubs that are 100 years old in 2021 and 2022. That evening the Lion Challenge for Visually Impaired Youth auctions and activities will be held at Alf's Pub in Cheyenne. The evening will be an evening of fun, fundraising, and publicity for the camp.

Saturday, May 14, there will be sessions for AHSLC, LoWF, and District 15 business and general meeting at Little America. DG Robin Walters is planning some fun and challenging activities for the afternoon. The DG Banquet will be held that evening.

Celebration of Life, breakfast and a summit committee meeting conclude the activities on Sunday, May 15.

Mark your calendars now for a great district convention. More information will be available in the convention issue of the We Serve and on the district's website.

Available: Grant Program for Eye Surgery from RMLEB

By Brian Ballard

The RMLEB Board of Directors has an Eye Surgery Grant Project to assist Wyoming and Colorado Lions Clubs provide eye surgery care to citizens meeting needs qualifications. The grants are possible because of an endowment set aside with the RMLEB. Proceeds are available yearly for these needs. Local Lions Clubs can access this program following the published guidelines.

Individual Lions members can inform area eye doctors of this program because it is teamwork to identify and approve qualified candidates and coordinate with providers. Help and advice are available from Wyoming and Colorado Board Members.

It seems like a lot, but if one follows the steps, it flows well to a successful ending with help to restore someone’s sight.
Fellow Lions, Families and Friends,

Over the past year, “it’s been like operating in a war zone”!

In a meeting with the Rocky Mountain Lions Eye Institute Foundation Executive Committee with Dr. Naresh Mandava, Director and Chair of the Department of Ophthalmology, that was his assessment of this past year.

His comment was in reference to the issues his staff has faced due to the recent Coronavirus situation with lockdowns, illnesses within workers at CU Health and our Lions Institute itself. Despite the difficulties throughout, our Institute has, this year to-date, served over 130,000 patients and continued the sight saving research that will help untold numbers of visually impaired individuals the world over.

As for your Foundation, we are proud to announce the closing of our Mission 20/20! contribution of $300,000 toward equipping the expansion of new examination rooms. This expansion will increase the Institute’s capability to serve approximately 10% more patients going forward.

Again, we wish to thank the Lions of Colorado and Wyoming as well as the matching grant from Lions Clubs International Foundation for their help keeping our Institute recognized as a World Class Eye Institute for patient care, education and research.

Your RMLEIF Board of Directors invite any Lions member of Colorado and Wyoming that may be interested in becoming a part of our continued commitment to the Institute, to consider running for a three-year term on your Board of Directors. We are always looking for individuals with an interest in areas of planning future programs, communications between our board and the Institute leadership as well as keeping all Lions informed of our activities.

In closing, as this year comes to an end, we rely on Lions contributions for operating expenses beyond our considerable contributions to the Institute.

We wish all a Happy Thanksgiving and joyous Holiday Season, thank you for your support.

For more information or discuss your interest in the Foundation, please visit rmleif.org or contact Lion PID John Harper, (307) 631-8189, call or text.

Rocky Mountain Lions Eye Institute Board of Directors
Wyoming Lions Contribute to Campaign 100

By PDG Roger Epp, Campaign 100 Chair

It is with a certain amount of anticipation that I am proud to say that in the waning months of Campaign 100 the Lions clubs of District 15 are coming to bat. Just like the Atlanta Braves, in the middle of the season we were down in the numbers. But now...

There have been a number of Lions who have given their support through contributions and pledges. I would like to give thanks to District Governor Robin for donning her headgear, becoming the Grand Poopah of the Loyal Order of the Water Buffaloes, as she travels the state in her visits showing support for LCIF. Clubs are also showing that they care to give so the world we live in will be a better place to live.

It is with great pleasure that I list the following clubs that have become members of the 100/100 club with LCIF. This represents 1/5th of the Lions clubs in District 15. Criteria for this is that 100% of the members must contribute at least $100. Awards for this will be sent to the clubs from LCIF:

- Casper Mountain: $2000.00
- Cheyenne: $3500.00
- Cheyenne Sunrise: $3100.00 (Soon to fulfil their Model Club Status)
- Jackson Hole: $4550.00
- Laramie Plains: $3000.00
- Pinedale: $4430.00
- Rawlins: $2114.00
- Torrington: $1150.00

I really think that with the visitations of the Grand Poopah Robin, that number of clubs can at least double.

There are always rumors out there that proclaim any monies that we as D15 Lions raise goes to overseas clubs and districts. The hard facts show that we have received over $800,000 in grants from LCIF while contributing not quite 1/4th that amount to show our support. As I reach out to you Lions, please help ease this deficit with a contribution to Campaign 100!

Cheyenne Frontier Lions 4th Annual Shoot For Sight

Submitted By Steven Hopkins

On Thursday, August 12, a big shoot-out between the Cheyenne Police and the Laramie County Sheriff's Department occurred.

Not really what it sounds like. The Frontier Lions hosted a target shooting contest between members of the Cheyenne Police Department, led by recently appointed Chief Mark Francisco, and a team of 4-H'ers, led by long-time Sheriff Danny Glick. Using a Daisy Red Rider BB Gun (no eyes were shot out), the police broke more balloons than the 4-H'ers.

This continued the trend of annually alternating winners and returned the traveling trophy to Chief Francisco's office.

The Frontier Lions heartily thank the Laramie County Fair, the Cheyenne Police Department, the Laramie County Sheriff's Department, the 4-H shooters, and the businesses that helped raise over $2,000 to provide glasses for low-income people in Cheyenne.

When you get the chance, please patronize these business sponsors of the Frontier Lions Club's Shoot for Sight: Tortilla Factory, Automotive Repair Specialists, Welding and Machine Inc, Fox Farm Storage, Mr. B's Heating and Cooling, and Pinnacle Bank. Thanks to Lions of Wyoming District Governor Robin Walters for both her spiritual and financial help.
Pine Bluffs Lions Club and Burns Lions Club Branch

Submitted by Gary Rodifer DGE

Pine Bluffs Lions took part in the community Trunk or Treat on October 28th. During the event, the club sold a hotdog dinner and gave out over 200 cookies.

The Burns Lions Club Branch held their Trunk or Treat on October 31st, giving out over 200 prizes.

Working together, the Pine Bluffs Lions Club and the Burns Lions Club Branch honor a student from their local high School: Pine Bluffs High School and Burns High School. The Pine Lions Club hosted the 1st Students of the Quarter Tuesday, November 9th.

Each student gave a short presentation of themselves, activities they are involved in, and their future plans.

Lion Becky Minnick presented a certificate and an honorarium to Burns High School student of the Quarter, Madison Goforth.

Lion Rick Ragland presented a certificate and an honorarium to Pine Bluffs High School student of the Quarter, Emiliano Castillo Delgado.
Laramie Plains Lions Club Announce Their 2022 Fishing Derby

Submitted by Lew Lyon, PDG Derby Chair

The Laramie Plains Lions Club is pleased to announce the 2022 Ice Fishing Derby. This has been an annual event since February 1993. The dates for the Derby have been set for January 1 & 2, 2022 at Lake Hattie. Many of you have given support during that time frame and we very much appreciate your continued support of our Lions projects. We also understand that the COVID-19 and the new variant continues to have a negative effect on ALL of us.

If you can participate, we invite you to promote your business and the Laramie Community by participating as a cash sponsor, door prize sponsor, or an angler. Cash sponsors ($100 plus) will be listed on media (internet and event boards during the event) promoting the derby. Names will be listed on the Laramie Plains Lions Club web site (http://www.e-clubhouse.org/sites/LaramiePlains/) through June 15, 2022 after receiving a pledge to provide cash in the amount of $100 or more. Door prize sponsors will be listed on event prize winner boards during the derby.

Cash sponsors ($100 plus) may be assigned a specific fish prize on the winner board. Sponsors will be responsible for providing electronic logos for their business for publication by the Laramie Plains Lions Club.

Suggested Levels of cash support are $1500.00, $1000.00, $750.00, $500.00, $250.00, $100.00, Other.

Cheyenne Sunrise Lions Participate in a Halloween Service Project

Submitted by Dave Orr, PDG

On October 30, the Cheyenne Sunrise Lions participated in a “Trunk or Treat” activity at the Old West Museum in Lion’s Park in Cheyenne. Approximately 40 groups were represented in the event. It was held outside in the museum parking lot. Cars were backed into a circular pattern, and kids in costumes moved from car to car, collecting candy and other treats. Club organizers, Roy and Kristin Olaveson, said they bought 1800 pieces of candy and only had about 100 pieces left over. Roy and Kristin’s son, Conner, handed out candy after making the rounds of the other cars himself. Also participating from the Club were: PID John Harper, Past President Denise Miller, Past District Governor Dave Orr, and Lion Kathy Orr. This is the second year the Sunrise Lions have supported this community service event sponsored by the Old West Museum in Frontier Park.
We Remember...Forever a Lion

Lion Rodney Patrick

Rodney “Rod” Patik passed away from a sudden illness with his family by his side on October 21, 2021. He was 62 years young. Rod lived life to the fullest, despite the many challenges he was given, and in his memory we will remember those numerous accomplishments, triumphs, and joys.

Rod was born on December 22, 1958 in Casper, Wyoming, the third of five sons. He spent most of his childhood in Gillette, Wyoming where he grew up around rodeos and cowboys and around fast cars, motorcycles and snow machines. After becoming totally blind around age 20 due to complications from Type 1 diabetes, his love of motors never diminished, but manifested itself in ways that were safer and most importantly, legal. He found a passion for rebuilding classic cars and motorcycles and poured his blood, sweat, and tears (and those of his wife, Toni) into his beautiful 1972 Chevy Pickup, 1972 Chevelle SS 454, and several vintage Hodaka motorcycles.

While motors were his first love, other sports and active pastimes played a vital role in his life keys. He followed all the Wyoming Cowboy football and basketball games no matter where he was. One thing is for sure, if Rod supported a team, he really supported them and very actively rooted against their rivals. Basketball held a very special place in his heart and he coached his son’s traveling basketball team for many years. He loved having a positive impact on the young men’s lives and thoroughly enjoyed a win.

When he wasn’t listening to a NASCAR race, listening to a football or basketball game, fixing a car or motorcycle, or taking a drive in the side-by-side, his happiest places were on or near a body of water with a fishing pole in tow. While sports and pastimes were a big part of his life, he valued education highest of all. Despite going blind shortly after graduating high school and dealing with managing his diabetes, he went on to attend Casper College where he graduated with double associate’s degrees in Business Management and Marketing. For his time at CC, he was named an Exemplary Alumni during their 50th anniversary celebration in 1996. While attending CC, he went to Laramie to attend a football game and this game led to him meeting his future wife, Toni, who was a student there. After finishing at CC, he moved to Laramie to complete his Bachelor’s degree in Human Resources and be with the love of his life. While Rod didn’t spend 4 years in Laramie, he made an impact in the years he was there. He was very recognizable around campus with his first guide dog, Edgar, guiding him around to classes and events. Wanting to get his degree completed and move onto the next phase in life, he took on his last two semesters with 18 to 20 credits each in order to get through - a feat worthy of mentioning on its own, but made even more impressive by the fact that all of his books were in Braille, recorded, or had to be read to him by someone else. His tenacity for education continued later in life when he completed the coursework for a Master’s in Special Education. His drive for education was never diminished and he pushed both of his children to be high achievers. He also was a frequent classroom aide and did special reading programs for kids in the elementary schools who needed more specialized attention.

Rod was the kind of guy you could always count on. He was generous in his love, in his money, and in his time. Rod was a follower of Christ and loved God with all his heart. Rod was an active member of the Casper Mountain Lions Club and recently served as the President. He loved preparing the Braille Trail on Casper Mountain and ensuring all the Braille signage was correct and readable. Rod lived his life to the fullest knowing every day was a blessing. Having multiple medical complications from Type 1 diabetes after being diagnosed at 4 years old, meant that he took every opportunity that came his way and hardly ever said no to an experience.
